The screenshot shows the top section of a website for the 2022 Asia-Pacific Forum. At the top left is the PCI Security Standards Council logo. To the right are navigation links for 'About', 'Speakers', and 'Agenda'. The main header area has a dark teal background with a network pattern and contains the text '2022 Asia-Pacific Forum' and 'Online | 16 November'. Below this is a call to action: 'Join us online for the 2022 Asia-Pacific Forum' followed by 'Help Secure Payment Data Globally'. A teal button labeled 'REGISTRATION NOW OPEN' is centered. A large red arrow points from the right towards this button, with the Japanese text 'クリック' (Click) written inside it. Below the button, there is a paragraph of text starting with 'With the constant threats to payment security globally, it's important, now more than ever, that we help secure...' and another paragraph starting with 'Although we will not be together face-to-face, we will still gather virtually to hear important Council updates, regional insights and are creating an engaging agenda for this one-day virtual event.'
